I understand completing the workshop does not guarantee a field trip date. You must email us at [McCawSchlOfMines@aol.com](mailto:McCawSchlOfMines@aol.com) or via Interact beginning August 1 to book your field trip. Field trip dates are booked contingent on you completing the workshop. If the workshop isn't completed, your date will be released and given to a teacher on the wait list. After receiving the field trip confirmation, you are responsible for giving the information to your office manager so he/she may book the CCSD bus that is reserved for the Mine.
